O R D E R

By our Order of September 1, 1988, this Commission established a procedural schedule in this case. On September 14, 1988, Green River Steel Corporation ("Green River Steel") filed with this Commission a motion to extend the compliance date for events listed in the procedure by 21 days. By letter dated September 16, 1988, Green River Steel advised us that it and Kentucky Utilities Company ("KU") had agreed to a joint proposal for amending the existing procedural schedule. A copy of the proposed procedural schedule was also submitted. Green River Steel further requested leave to withdraw its motion should we adopt this proposed procedural schedule.

Upon review of the proposed procedural schedule, this Commission finds that it is acceptable and should be adopted in place of the existing procedural schedule. We further find that Green River Steel should be granted leave to withdraw its motion.

IT IS THEREFORE ORDERED that:

1. The procedural schedule contained in our Order of September 1, 1988, be and it hereby is rescinded.

2. The procedural schedule listed in the Appendix to this Order shall be followed.

3. In all other respects, our Order of September 1, 1988, be and it hereby is affirmed.

4. Green River Steel be and it hereby is granted leave to withdraw its motion.
